

# PRINCE2® Foundation and Practitioner Exam Preparation Training

## Why PRINCE2®?

PRINCE2® is a globally recognised process-based approach for project management which provides the theoretical knowledge of how to plan, manage and deliver projects from start to finish.

Based upon the tried and tested experience of project management practitioners around the world, it provides the themes, principles, and processes to deliver successful projects of any size and complexity.

- Aimed at Project Managers or professionals wishing to enter Project Management and key personnel involved in project design, development, and delivery
- Applicable to a range of roles and sectors
- Step-by-step guidance to manage cost, time, quality, scope, benefits, and risk
- Internationally recognized vocational certification that enables success in your role

Millpond is accredited by **PeopleCert on behalf of Axelos as an Accredited Training Organization** guaranteeing a high calibre experience for learners.

Receive quality PRINCE2® training delivered by certified and skilled facilitators.

We recognise and support your learning style, using the most trusted adult education learning techniques to ensure maximum retention and understanding.

## Approach

The Millpond team deliver highly engaging training supported by quality courseware throughout Australasia.

### Which PRINCE2® Certification is for me?

#### **PRINCE2® Foundation:**

- For individuals wanting to demonstrate they have sufficient understanding of the PRINCE2® project management method
- PRINCE2® Foundation exam voucher

#### **PRINCE2® Practitioner:**

- For individuals wanting to demonstrate they have achieved sufficient understanding of how to apply and tailor the PRINCE2® method in a scenario situation

## Prerequisites

#### **PRINCE2® Foundation:**

- No formal prerequisites, although a familiarity with a project environment would be beneficial

#### **PRINCE2® Practitioner:**

- For more information on which certifications are now recognized as approved prior learning for the PRINCE2 Practitioner certification, please refer to the most recent information at **Axelos**

## Benefits

Join more than 1,000,000 certified professionals in 150+ countries. Demonstrate your expertise.

Qualified and competent project managers are always in demand.

Applicable to any industry.

## Delivery details

Training is instructor-led classroom or virtual. Corporate or in-house training is available, please ask us for details.

### PRINCE2® Foundation:

**In-class:** 3 days, materials and catering included.

**Virtual:** 21 hours facilitated live and online classroom environment. Digital materials provided.

### PRINCE2® Practitioner:

**In-class:** 2 days, materials and catering included.

**Virtual:** 14 hours facilitated live and online classroom environment. Digital materials provided.

### Both certification training courses include:

- Course materials including slides, activities, and templates and mock exams
- Electronic Student Manual and activities specific to the relevant PRINCE2® Certification exam
- Attendance certificate
- Exam voucher

I'm sure this is the same for the majority of the class, **absolutely loved this Project Management course and it's mostly due to your teaching style.**

Really respected the fact that you are in industry, and able to teach us the stuff that is going to be useful and also having your spin/ input on things.
